Business of

Healthcare SUMMIT

January 26, 2024 • Augustus B. Turnbull Conference Center • Florida State University

The Florida State University *Business of Healthcare Summit* is part of the FSU Health initiative – an ambitious effort to connect the often-disparate conversations surrounding healthcare practice and provision. Leveraging FSU's extensive network of alumni and industry partners, the Summit will bring together a wealth of national, state and local expertise to discuss the most pressing issues facing the healthcare sector today.

The Summit is spearheaded by the Carl DeSantis Center for Executive Management Education at the FSU College of Business and will feature speakers and executive panelists representing hospitals, private practice, health systems, policy boards, professional organizations, and insurers. The Summit program will focus on four key themes:

- **Talent Management & Workforce Planning** •
 - **Data and Technology** •
- **Financial Perspectives, Performance, and Practices** •
- **Public Policy, Regulations, and Legislation** •
